SPEAKERS for schools

Vodafone Tech Innovators Programme

vodafone

Join Vodafone for a series of virtual insight sessions focusing on roles in tech and STEM. Apply to as many as you like!

Hear from the professionals at a multinational telecommunications company about the range of career pathways available in tech. Each session will include an introduction to the roles available, an overview of a typical day in each role, and details of the application process. You'll also take part in interactive activities and have plenty of opportunities to ask questions!
