

# FOOTBALL & EDUCATION ACADEMY

**Our football programme is designed for ambitious players who want to combine full-time education with a professional football development environment.**

- Train regularly, compete at a level right for you.
- Showcase your talent while studying a recognised sport qualification equivalent to A levels.
- Strong links to semi-professional and non-league clubs.
- We provide genuine pathways and opportunities for progression within the game.
- Receive regular player feedback and assessment with analytical support from GPS & video footage.

Based at **Stoke Mandeville Stadium**, players benefit from excellent facilities, structured coaching, strength & conditioning support, and exposure to competitive fixtures at our home venue Thame United FC.

**Studying sport at BASE puts you on a structured pathway towards careers in the sporting sector as it includes:**

- Level 3 & 4 Sports Qualifications
- Industry-relevant qualifications recognised by universities and employers.
- Work experience & practical placements built into the study programme.
- Access to professional environments, facilities and coaching contexts.
- Support towards higher education or employment (coaching, PE teaching, sports management, performance support, etc.)
