

Content Academy - Osterley

Fresh out of sixth form or college? This is the Content Academy programme for you.

Choose an Osterley placement and over the next 12 months you'll experience everything it has to offer, rotating through four different teams before choosing where to spend your last four months.

The hours can be unusual, but you'll be supported by brilliant people. It's an opportunity for experiences like no other. Setting up sound for Soccer AM, manning the autocue for the evening news, see how shows are made from start to finish – there's no telling what you could find yourself doing, or who with, so strap in. It's going to be an exciting ride.

Content Academy - Elstree

Film & TV is one of the UK's fastest growing sectors and in 2022, even more opportunities will be available in Hertsmere as Sky Studios Elstree gets ready to open. We'll need top, local talent to join us for a variety of roles.

Our ambition is to be build the world's most sustainable film & TV studio. Sky Studio Elstree will enable us to set new industry standards in sustainable production and inspire the rest of the industry to take action on climate change because the world can't wait.

Choose an Elstree placement and over the next 12 months you'll experience everything it has to offer, rotating through different teams in our all production site. The hours can be unusual, but you'll be supported by brilliant people. It's an opportunity for experiences like no other.
